Financial Policy

Welcome! Thank you for choosing us as your dental health care providers. Our goal is to provide you and your family with optimal dental care. We want you to feel welcome and as comfortable as possible throughout our relationship. We encourage you to ask questions and to be involved in treatment decisions. This includes understanding your treatment plan as well as our financial policy.

FINANCIAL AGREEMENT:
Patients are expected to pay for services at time they are rendered. We strive to give you a comprehensive treatment plan and the cost of that treatment prior to doing any dental work, however, treatment can change. There will be a fee for any additional procedure NOT included in the original treatment plan.

PAYMENT METHODS ACCEPTED Payments may be made using cash, personal check, Visa, MasterCard, flex spending cards(FSA/HSA), American Express, and/ or Discover. We also offer CARECREDIT, a financing option that is available only for healthcare expenses. We will mail monthly statements to all patients with an outstanding balance. There will be a $25 late fee charge after 30 days. Accounts over 90 days are subject to our collection agency.

For minor patients, the responsible party for the account **MUST BE PRESENT.** If the minor has insurance through a person not present, we will inform you of the information required by our office to bill the insurance company, **WE WILL NOT BILL A THIRD PARTY THAT IS NOT PRESENT TO SIGN THIS FINANCIAL POLICY.**

APPOINTMENTS:
In order to serve you better and keep the cost of dental care down, we try to maintain an efficient appointment system.
In order to do this, a confirmation is REQUIRED by 1pm the day prior to your appointment in order to honor your scheduled appointment time. You may confirm by calling the office or replying "1" to the text message the system sends to your mobile phone.

Unfortunately, our cost of providing care increases greatly when people fail to keep scheduled appointments or cancel at the last minute. We require at least a 24 hour notice for any canceled appointment. There is a $50 fee for same day canceled appointments and $50 fee to rebook a no show appointment. _____--Please Initial

INSURANCE INFORMATION:
As a courtesy to our insured patients, we submit claims to your insurance company free of charge. In order to do this we need your insurance card and/or insurance policy with you on your first visit of every calendar year (your insurance may not run January-December). If your insurance plan changes please let us know as soon as possible. We will work with you and the insurance company to maximize your dental benefits.

THE DENTIST WILL DIAGNOSE TREATMENT BASED ON YOUR DENTAL HEALTH, NOT YOUR INSURANCE COVERAGE.

YOU MUST REALIZE THAT:

Dental insurance isn't really insurance (a payment to cover the cost of a loss) at all. It is actually a money benefit, typically provided by an employer, to help their employees pay for routine dental services. The employer usually buys a plan based on the amount of benefit and how much the premium costs per month. Most benefit plans are only designed to cover a portion of the total cost of a person's necessary dental treatment. For example, a dentist may recommend a crown for tooth that has extensive decay; however, the dental plan may only cover the cost of filling. This does not mean that the patient does not need a crown, only that the benefit is limited to a filling.

Participating Insurance: As a participating insurance provider**,** we will estimate your copayment and file insurance claims for treatment. Your **estimated copayment is due at the time of service**. Your insurance company will processes and finalize the claim once they receive it, in some instances resulting in a credit or balance. We will contact you regarding any credit and reimburse you, or you may choose to keep the credit on your account for future treatment. A bill will be mailed for any remaining balances; Financial Agreement applies, please refer back to that section.

Non-participating Insurance: The courtesy explained above is extended to you. **Your estimated copayment is due at the time of service**. If your insurance company has not paid within 90 days of services rendered, you will need to make full payment to this office and be reimbursed when your insurance company pays. Any treatment you receive that is not covered by your insurance plan for any reason is your responsibility. Financial Agreement applies.

Please indicate your understanding and acceptance of these financial policies by signing below. For the mutual convenience of you and the practice, it is understood that this executed copy of the financial policy also shall cover your dependent children who are patients of the practice.
